

## 2023 Pet Portrait Price List\*

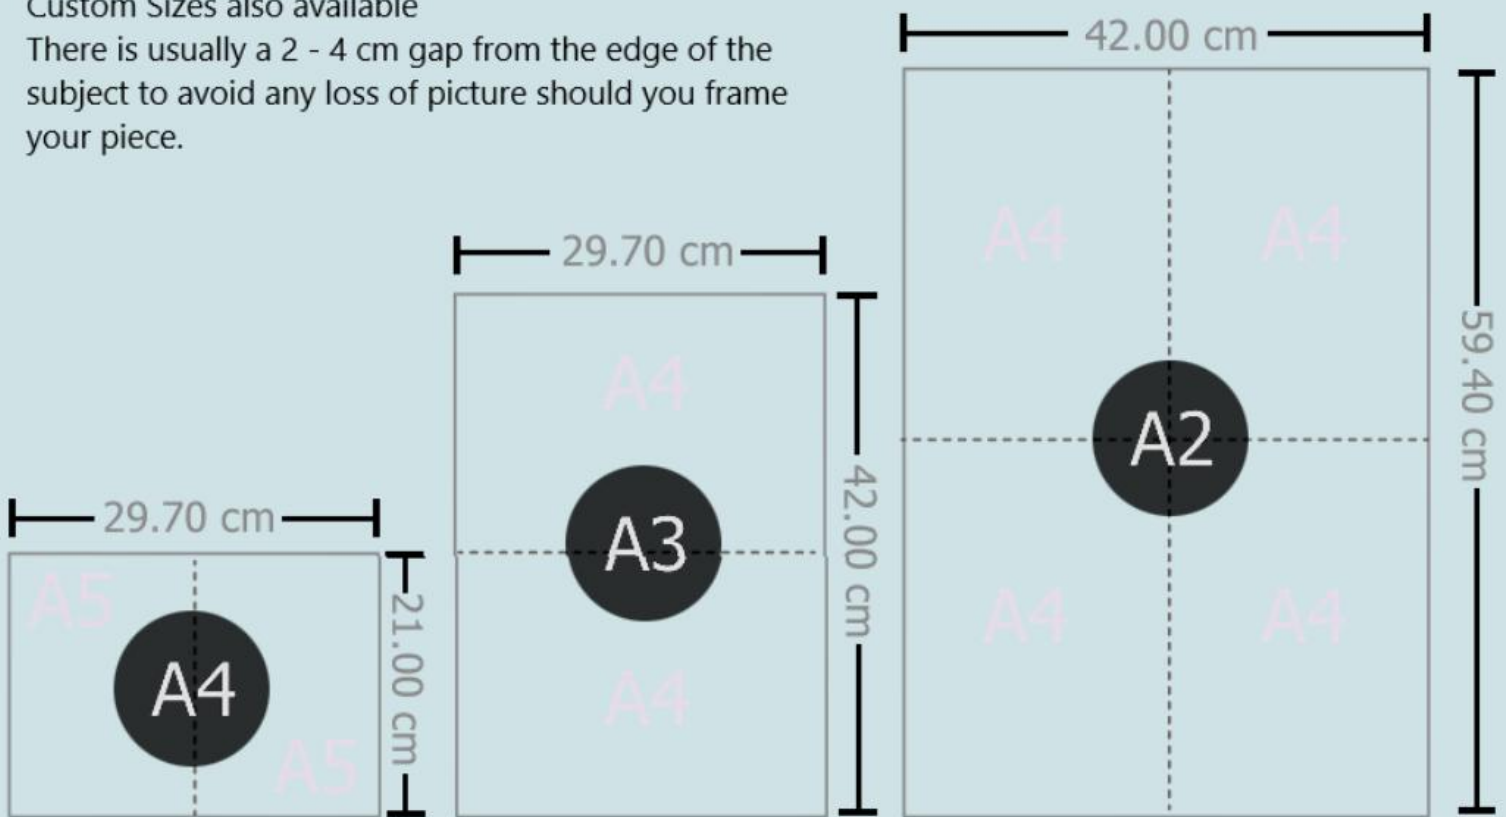

**A4 £210**

**A3 £340**

**A2 £680**

Custom Sizes also available

There is usually a 2 - 4 cm gap from the edge of the subject to avoid any loss of picture should you frame your piece.

Pastel Pet Portrait - Head / Shoulders only, No background or a tonal background only. All Materials are archival & lightfast for longevity ensuring the best quality. Pastel pieces are not provided with any fixative as this dulls down the image - therefore a care card is included on how to look after your piece. Pastel work should be framed behind glass (please note plastic can remove the pastel from the paper).

A 30% non-refundable deposit is required to secure a place on my waiting list with the remainder required at completion prior to delivery. At least one visual update will be provided when your piece is being undertaken. Monthly instalments are an option. I am happy to discuss larger / custom sizes. Please note I can only accept high quality digital photos. \*Horse Portraits incur different costs - to be discussed. Items include Mounts only, Additional costs for postage & packaging dependant on choices and location.

Gift Certificates also available.

Custom wildlife art also considered.
